

TRAVEL REQUIREMENTS & THINGS TO KNOW BEFORE YOUR TRIP **JAPAN**

(Affordable Japan - AJI Travelers)

(Updated March 2026)

PREPARING FOR YOUR TRIP

As you prepare to embark on your upcoming Affordable World journey, please log on to your My Affordable account and click on your trip confirmation ID to review the most up to date trip details including hotel information, flight schedules, and ticket number(s). Please make sure you have all travel documents, passports, and necessary visas ready before you depart for your trip.

CHECKING IN AT THE AIRPORT

Be sure to bring your **passport** as you will need to present it when checking in at the airport. Please be advised that not all airlines assign seats in advance. Some airlines assign seats at the airport during check-in. We recommend all travelers arrive at the airport at least 3 hours prior to the flight departure time. You will receive boarding passes at the airline counter when you check in for your flight.

AIRPORT TRANSFER UPON ARRIVAL

Please note, our Affordable Japan (AJI) packages are classified as semi-independent tours*. Sightseeing tours, airport, hotel and train transfers may be handled by different local representatives at each location upon arrival and departure. Guests will not be provided with porter services or assistance with getting to/from the hotel-bullet train-hotel or airport-hotel-airport. Please visit our [travel styles page](#) to learn more about our different travel styles offered. Please arrange your own airport transfer to/from the hotel as listed in your travel documents. Transfer service from the Tokyo Hotel to the Bullet Train is available for purchase prior to the trip departure date. Otherwise, please arrange your own transfer from the Tokyo hotel to the Bullet Train station.

**Semi-Independent trips are generally medium-paced and often offer more free time than Escorted tours: cue free days and evenings earmarked for you to explore alone or join optional tours. The trips include local guides and guiding services on city orientation and optional tours as per the itinerary—with some featuring the same guide and others guides who vary across cities, days, and activities. Airport-hotel transfers may be handled by different representatives, while in other cases, you may need to take airport shuttles and short cab rides independently. With these tours, you won't be provided with porter services or assistance with getting on and off any included ferry journeys.*

Roundtrip Airport transfers are not included for all Land Only packages and AJI - Affordable Japan (both Land Only and Land & Air packages). Airport transfer is not included for those extending their stay before or after the tour. Please arrange your own airport transfer to/from the

hotel/airport. Hotel accommodations are not included when extending your stay. Extended stay travelers are responsible for arranging accommodations; alternatively, hotel accommodations may be purchased up to 35 days prior to the trip departure date. To purchase hotel accommodations, please log on to your My Affordable account or contact us.

Airport Transfer service is available for purchase. To purchase the airport transfer service, please log in to your account at least 7 days prior to the trip departure date.

For Travelers who have purchased the airport transfer service:

Please go through Customs and Immigrations on your own. After you pick up your luggage, exit the baggage claim area and look for the Affordable World representative holding an Affordable Asia/World flag/sign and your name board. **Please wear your Affordable badge at all times** during the tour for easy identification, as each city may be assisted by different local representatives.

Affordable World airport assistants will wait for arriving tour members outside the airport baggage claim area for up to 90 minutes after the landing time of the tour member's flight. After this time, the assistant will no longer be available. If for any reason a tour member does not meet the Affordable World representative within 90 minutes of the flight's landing, the tour member will be responsible for arranging and covering the costs of their own transportation from the airport to the hotel. The unused portion of airport transfer is nonrefundable.

The transfers are arranged via a shared coach basis.

The airport assistant will provide instructions and assistance with transportation to the hotel, which is typically arranged via a shared bus, minivan, or taxi. Please be aware that specific modes of transportation cannot be requested in advance and will be assigned upon arrival.

Please note that the airport assistant will not accompany tour members from the airport to the hotel. Guests will be traveling to the hotel and checking in on their own.

- Power bank mAh capacity must be clearly labeled by the manufacturer on the charger

CURRENCY

The Japanese currency is called Yen. The exchange rate is about 159.12 Yen to 1 US dollar as of March 2026. Most department stores, hotels and restaurants will accept major credit cards such as American Express, Visa, and MasterCard. However, it is more convenient to use cash especially if you are planning to shop and eat in smaller shops.

TIPPING

An important note on tipping - please note gratuities are not included in your tour cost. They are customary and their purpose is to encourage and reward quality service. Our guides greatly appreciate any tips you would like to give them. Our recommended tip amount is \$10 USD per person per night.

HEALTH & MEDICAL MATTERS

Medical and vaccination requirements vary between countries and it is important you check with your family doctor or a qualified medical professional for the most up to date travel health information for the region you are visiting. Due to the length of the trip, it is advised you consult your doctor for existing medical/dental conditions before departure

It is advised to pack any prescription medicine in your carry on hand luggage. Please make sure prescription medicine is fully labeled. It may also be useful to bring aspirin, over-the-counter medicine for the flu, indigestion, motion sickness, etc. In case of illness during the trip, please immediately notify your tour guide for assistance.

WALKING

Our Itineraries include city tours and these involve a decent amount of walking. Be prepared for many steps, uneven pavement and walking up steep inclines – comfortable walking shoes with grip are strongly recommended.

ELECTRICAL REQUIREMENTS

Leading hotels in big cities within Japan have two outlets of 110 and 220 volts, but their sockets usually accept two-prong plugs only.

TIME DIFFERENCE

The time difference between major cities in North America and Japan is as below:

- Los Angeles & San Francisco + 17 hours
- New York + 14 hours

MEALS

Meals are included in Japan as per itinerary. We regret to inform you that Affordable World is unable to confirm any special meal requests as it is based on the availability of the restaurants, hotels, and airlines. Please contact the airlines directly to place special meal requests for your flights. Automatic vending machines are more widespread in Japan than anywhere else in the world. The machines operate 24 hours a day at all rest areas, selling soft drinks, cigarettes, cup noodles, as well as pre-paid telephone cards, and usually accept 10, 50, 100, 500 yen coins (some accept 1,000 yen bills also).

HOTEL ACCOMODATIONS

Based on two adults sharing one twin bedded room, double occupancy. Generally the rooms in Japan are small, but clean and comfortable.

SHOPPING

Although Affordable World's national guides will be happy to assist you with any shopping requirements, Affordable World does not assume responsibility for any items purchased at shops while on tour. You are never required to purchase any items while on tour and thus must be responsible for your own purchases. Any after sales correspondence must be between the passenger and the shop in question.

OPTIONAL TOURS

Optional tours may be added up to 7 days prior to the departure date. Optional tours may also be purchased while on the tour. All on-site optional tour purchases are an additional \$10 per person and must be payable in USD cash (credit cards are not accepted for on-site optional tour purchases). Jun-Aug	Summer – light clothing, short sleeves
Sep-Nov	Autumn – lightweight jackets & sweaters
