

## **COVID-19 TRAVEL INFORMATION**

### **THAILAND**

(Updated Oct 2022)

#### **TRAVEL AND IMMIGRATION RESTRICTIONS**

Several countries have imposed travel and immigration restrictions due to COVID-19. This is a dynamic situation and it is the responsibility of the customer to check all relevant travel advisories to and from the countries they are visiting and transiting through. Always check travel restrictions for each part of your trip; this includes layovers for connecting flights, as well as entry requirements for your return back to the US. Please note that the information provided in this addendum is based on the time of print/publication and a country's requirements can change at any time. It is the responsibility of the traveler to check all updates and obtain all necessary documents and tests prior to departure, as well as entry back into the US. Peony Tours is not responsible if you are denied entrance for any reason in any country, even if you hold a valid passport and entry visa. **Non U.S Passport holders** - please check with your local embassy or consulate for detailed visa and travel document/entry requirements. If you need clarification on whether you may enter Thailand, contact the closest Thai Embassy or consulate, as well as your airline prior to travel.

All travelers to Thailand departing on or after October 01, 2022 must ensure they are eligible to enter Thailand and produce all required entry documentation for this vacation. Requirements and restrictions may depend on different factors including but not limited to: your country of residence, passport nationality, transit points, as well as previous travel history. Full proof of Covid-19 vaccination or recovery is no longer required for our Thailand tours. The new protocol will take effect for all Thailand packages departing on or after October 14, 2022 and are subject to change at any time.

#### **PRE-ARRIVAL MANDATORY REQUIREMENTS**

*All travelers must have the following documents for entering Thailand:*

1. **Certificate of Covid-19 Vaccination or Recovery and negative tests** are no longer required for Thailand Starting October 14, 2022. The requirements are subject to change at any time.
2. **Insurance Policy:** All travelers are highly recommended to have comprehensive travel insurance when traveling to Thailand. The policy should include in-patient hospitalization and cover the whole period of stay in Thailand.

## **ON-ARRIVAL REQUIREMENTS DURING YOUR STAY IN THAILAND:**

1. **Entry screening upon arrival:** Travelers may undergo entry screening including a body temperature check and presenting the required documents to the Immigration/Health Control officer to carry out the checks.
2. **Safety Protocols:** While in Thailand, all travelers are advised to strictly follow the health and safety standards. Travelers who are experiencing COVID-like symptoms should get tested. If testing positive, they must get the appropriate medical treatment.

## **CURRENCY**

Thailand's currency is called Thailand Baht (THB). As of November 2021, the exchange rate is \$1 U.S dollar to 33.12 THB. We suggest you bring a combination of cash and credit cards for your

trip. Most department stores, hotels and restaurants will accept major credit cards such as American Express, Visa, and MasterCard. However it is more convenient to use cash especially if you are planning to shop and eat in smaller shops. Please always keep your currency exchange receipts as you may need to present these when changing THB back to your own currency at the end of your trip.

### **TIPPING**

*An important note on tipping* - please note gratuities are not included in your tour cost. They are customary and their purpose is to encourage and reward quality service.

Our guides greatly appreciate any tips you would like to give them. Our recommended tip amount is \$10 USD per person per night.

### **HEALTH & MEDICAL MATTERS**

Medical and vaccination requirements vary between countries and it is important you check with your family doctor or a qualified medical professional for the most up to date travel health information for the region you are visiting. Due to the length of the trip, it is advised you consult your doctor for existing medical/dental conditions before departure. It is advised to pack any prescription medicine in your carry-on hand luggage. Please make sure prescription medicine is fully labelled. It may also be useful to bring aspirin, over-the-counter medicine for the flu, indigestion, motion sickness, etc. In case of illness during the trip, please immediately notify your tour guide for assistance.

### **ELECTRICAL REQUIREMENT**

Thailand's electrical system operates at 220 volts. The electrical outlets are either for fat round pins or flat angled blades. It is recommended travelers bring their own voltage converter and adapter

### **TIME DIFFERENCE**

The time difference between major cities in North America and Bangkok are as below:

- Los Angeles +14 hours
- New York + 11 hours

### **MEALS**

Certain meals are included in Thailand as per the itinerary. We regret to inform you that Peony Tours is unable to confirm any special meal request as it is based on the availability of the

providing restaurants, hotels, and airlines. Please contact the airlines directly to place special meal requests for your flights.

### **SHOPPING**

Although Peony Tours' national guides will be happy to assist you with any shopping requirements, Peony Tours does not assume responsibility for any items purchased at shops while on tour. You are never required to purchase any items while on tour and thus must be responsible for your own purchases. Any after sales correspondence must be between the passenger and the shop in question.

### **CLIMATE & CLOTHING:**

Thailand's tropical climate is hot & humid, but there are regional and seasonal temperature variations.

**Bangkok** enjoys three seasons:

Mar – Mid June - Hot (80-95 F)

June – October - Rainy (75-90 F)

Nov – February - Cool (65-90 F)

**Chiang Mai** is in the far North and is somewhat cooler with winter temperatures ranging between 56 to 83 F. In rare instances, temperatures in the hill can drop as low as 36 F. As in Bangkok, the heaviest rains fall in September. Winter nights in the North can be chilly so it is recommended to pack a sweater if visiting the North. In the south, temperatures on the island of **Phuket** can warm to 92 F in the hot season but the water temperature never drops below 68F. During monsoon season (May to late Oct) the undertow can be quite strong; look for red warning flags on the beaches.

- It is suggested to bring comfortable, casual clothing and a pair of walking shoes; sunglasses are essential, light hats advisable
- **Sleeveless tops, shorts, skirts, and tight clothing are not allowed in temples for both men and women. It is best to wear pants or a loose, long skirt that covers your ankles and a loose fitting top that covers your shoulders, in addition we also suggest bringing a light scarf**
- Shoes must be removed upon entering temples but you may leave your socks on – easy slip on shoes are suggested
- If your destination covers Phuket or Koh Samui, choose light clothes for its balmy weather – natural fabrics such as linens and cottons are highly recommended.

- Check [www.weather.com](http://www.weather.com) for more detailed weather conditions closer to your departure date.
- It is not necessary to bring formal clothing however modest attire is always welcome
